POSTAL RATES POLICE SEEK ARE TOO

Head of Postoffice Department Intends to Ask Congress for Reforms

Intending to Marry New Love in Bisbee

EUROPE NOW FAVORED MATRIMONIAL MANIA

as Low as Those on Foreign Packages

EXPRESS COMPANIES FIGHT CHILD'S

Opposition of Merchants, Who Police on Both Sides of Line Are Scared By Writers in **Employ of Corporations**

BOSTON, Oct. 17.—Postmaster General George von L. Meyer in an address at the annual convention of postmasters here outlined his policy regarding postal savings banks and the parcels post, and told of the legislation he would ask of congress the coming winter.

"I assume that our representatives in congress," he said, "will realize that they cannot afford to stand for a policy that compels our own people to pay 4 cents more a pound on packages to people fiving in the United States (and even then per-mits them to send only four pounds) than on packages to people living in twenty-two foreign lands, for which they need pay only 12 cents a pound, strange to say, is matrimony, it seemand are able to send them weighing ing that his mania extended in that up to eleven pounds, "Two interests are opposing the
